March 1998

## First Annual Meeting in April

The first annual meeting of the Battle Creek Watershed Conservancy will be held April 22, at the Manton School. A pot-luck dinner will begin at 5:30 PM. For further information call Laurie Aumack at 527-4231.

The meeting will include the election of two board members, and at least the following topics (a detailed agenda will be mailed in early April):

- The goals of the Conservancy
- Important issues in the various areas of our watershed, and possible strategies to solve them
- Short presentations by a number of resource agencies
- Conservation easements – do they make sense on Battle Creek?
- Fire/fuel management in the watershed
- Water rights – should we be worried?
- Educational programs for the future

Voting at the meeting will be limited to paid-up Members. Residents and others with an economic interest in the watershed are eligible for full membership; others are invited to join as Associate Members. Dues support meeting expenses and our independent newsletter.

*I would like to have a say in the future of our watershed. Enclosed is my membership contribution.*
